CAREGIVER INFO

What is Reindeer run?

Reindeer Run is a festive Term 4 fundraiser that brings your school community together to raise funds for KidsCan!

Students raise funds for KidsCan before putting on their antlers to celebrate the end of the school year with a ‘fun run’ event they won’t forget.

Online Fundraising

There’s no cash to collect or count. All donations are made online through individual student fundraising pages, giving schools real-time visibility of progress and totals.

We also take cyber safety seriously, and we go the extra mile to ensure your child is protected when they create an online profile page.

Sign Up

To keep things simple and secure, each school has its own private registration link.

Once registered, students can share their personal fundraising link with friends and family online to help support their fundraising efforts.

Event Day

Wear active clothes, bring a water bottle, and get ready for one of the most exciting and colourful days on our school calendar!

Kick off your fundraising journey online!

If you don’t have your school’s sign up link yet, check your school newsletter or contact your school office.
